DEDICATION

The year 1985 has been a tremendous year for music, bringing music lovers from all cultures together. Young and old alike share their very love for today's music.

We are thankful to the artists who have contributed their talents to music. The great success of Michael Jackson and Lionel Richie; the rising stars of Prince, Duran Duran, and Culture Club; and the comebacks of Tina Turner and Chicago are only the beginning of future music successes. The Boss, Bruce Springsteen, seems to shine continously with the passage of each new day.

The music industry showed its gratitude and affection to its fans throughout the world by forming the group "Band Aid". Rock stars from several different groups assembled to help the starving children of Ethiopia by recording the song "Feed the World: Do They Know It's Christmas?". This song of generosity and hope will be an inspiration for the whole world.

We, the yearbook staff, would like to dedicate this yearbook to the music industry. Join with us in this musical celebration, a celebration for the whole world to be in perfect harmony. Let us put our hearts and minds together to make this harmony perfect today, forever, and always.

ACKNOWLEDGEMENTS

The yearbook staff acknowledges the valuable help and assistance of the following people without whom a quality yearbook would not have been possible.

Mr. Pat Connolly and the staff of Dodge Murphy Studios for meeting so many of our photography needs
Mr. David Nichols and the students of the Graphic Arts classes for their typesetting skills

Mr. Robert Murphy of Jostens for his advice and suggestions for producing a quality yearbook

SPECIAL SENTIMENTS

Mr. David Nichols and Mr. Robert Tohosky deserve a special note of recognition for their advice, guidance, time, effort, and expertise. Because of their special efforts this school now has a photography club and a functioning dark room so that student photography is encouraged and utilized. Student photography comprises a large part of this yearbook offering a variety of pictures which would not have been possible without the help of a photography club.

In addition to their work with the photography club, they donated hundreds of hours of work and skill in producing a multi-image presentation which enhanced the image of both the Industrial Arts Department and particularly South High School. This slide / audio presentation was designed to educate and impress upon junior high students the seriousness of high school course selections and future career decisions.

Mr. Nichols also deserves a special note of gratitude for his tireless efforts in ensuring quality graphics work for this yearbook. Without his special contributions the amount of photographic print within this book could only have been possible at a greatly increased cost both to the school and the students who purchase this book. His advice, guidance, and skills are greatly appreciated.

A combined effort of, Mr. Souke's and Mr. Scott's led the south girls track team to a super spring season.

All the girls looked forward to those rainy spring afternoons: " there will not be track practice after school - report tomorrow directly after school to the gym. "

The girls track attire is by far the most memorable - diapers, so they were called.

Aside from the craziness, the team scored 5 wins and 2 losses.

Kim Borgen, Kathy Bleakney, Julie Conlin, Meri Gorman and Liz Matson, all seniors this year, led the team in various events. Upcoming talent is that of Joanne Rudolph, Shari Lapnse and Corol Stone - if she ever recovers! Congratulations girls on an outstanding season!

Mr. J Donovan coached the 1984 baseball team through victories and defeats. The team posted 11 wins and 6 losses. The enthusiasm of the team may very easily be attributed to the 7 game winning streak. In games 2 - 8.

Some of this years seniors that led the team included Pete " Hugo" Sheridan, Bob Sheehan, who pitched 3 wins, 2 losses and Scott Bruce who pitched 1 win and no losses.

Remembenng last years seniors we should mention John" BJ " Scanlon who boasted the most BBI s and also a miraculous 5 homeruns for the season. Neil Gibbons carried the best batting average. To add to the list of heros were Mark Pino and John Staples who played on the All-Star team.

SOFTBALL

Mr. Jamieson took on the task of coaching the softball team of 1984. The team consisted of a crowd of " wild and crazy gals " who boasted an excellent season. The team registered 17 wins against6 losses. They made it to the sectional semifinals.

Some of the outstanding players who are seniors now, were Cara Blake, Colleen Houde and Ann Meaney. Last years senior Nicky Comeau also led the team to victory.

For the 4th consecutive year, Mr. Saya coached Boy's Tennis to a successful season. Leading the team in singles was Rich Crook at the top of the ladder and Dave Howe holding the unequalled record of 13 wins and 3 losses.

Sean McKinnon, Sophomore was the number 3 player this season.

Favorites in doubles were Mike Lynch and Solmon Rizvi playing first doubles., Mike Barthel and Fran Forrest played second doubles.

Our prominent tennis team went on to beat all opponents with the exception of Hingham the perenial power houses. The final for the season was 9 wins and 7 losses

FOR THE GOOD TIMES

DANCIN' IN THE DARK

On Movember 2, 1984, the four classes joined forces to put on a school harvest dance. Dances at Weymouth South are few and far between and are an event welcomed by all.

The upbeat music and awseome light show was provided by a team of D.J.s who included : Dave Holt, Kenny Karlberg, Dave Pepe and Doug Orcutt. This group does alot of local dances and many students were excited to hear and see them again.

The dance began at 7:00 p.m. with the sounds of Prince, New Edition, " The Boss " and some popular break-dance tunes. Freshman, Sophomores, Juniors and Seniors all attended the dance.

The dance ended at 11:00 p.m. with a still enthusiastic crowd.

Hurry up and take the stupid picture.

This is so embarrasing.

Thumbs up.

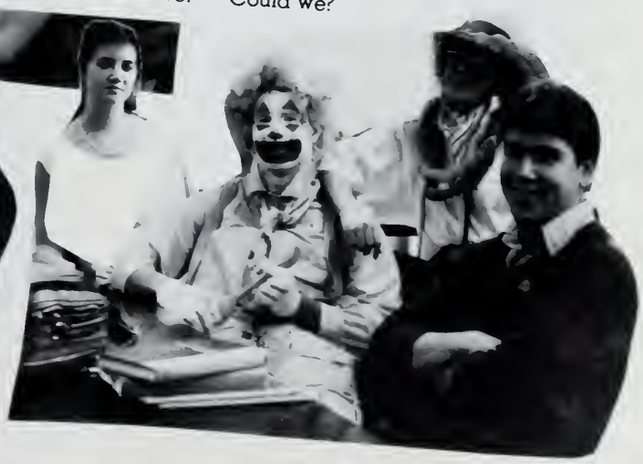
CANDIDS

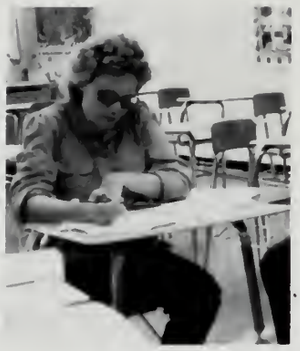
Can it be that it was all so simple then?

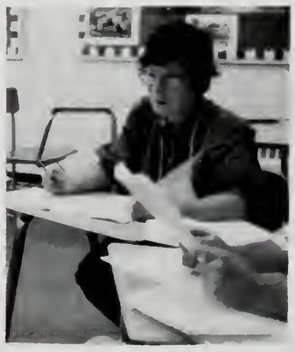
Or has time replaced every line?

If we had the chance to do it all again ....

Tell me. Would we? Could we?







Wouldn't this make a cute picture?

Hey, get off the phone.

I finally caught her but,
do I really want her?

Have I got it or what?

Dah, how do I tie my shoes?

What comes next Ha Ha!!

Terrible twosome

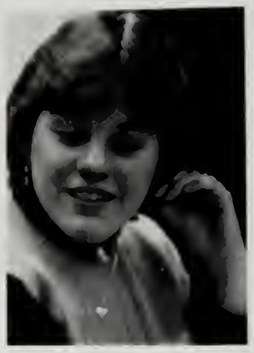
The darn basement was locked!

Don't kiss me, stop it, cut it out!

I told you the answer to number three is true.

But can you dance like this?

Take the picture, this is heavy!



I wonder what's for lunch?

What the what??

I could have sworn I put it there.

Peace Bro

Get off of me.

Go ahead. Make my day.

What am I doing in this class?

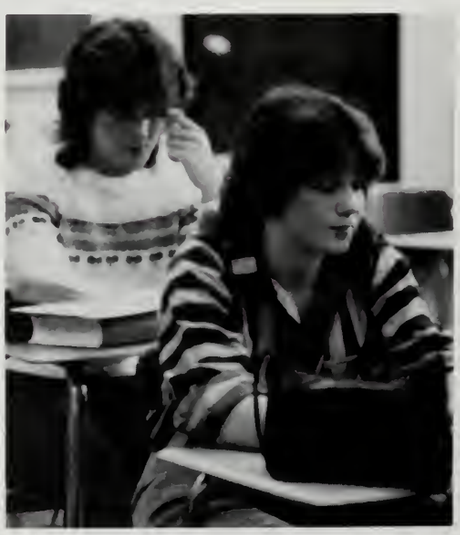
Python Pete.

WEYMOUTH
SOUTH
ATHLETIC DEPT

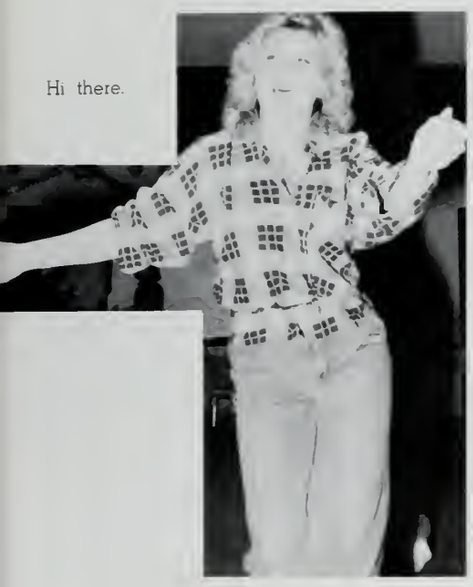
You make me sick!

Please go away!

Watch out world, here we come?



Hi there.

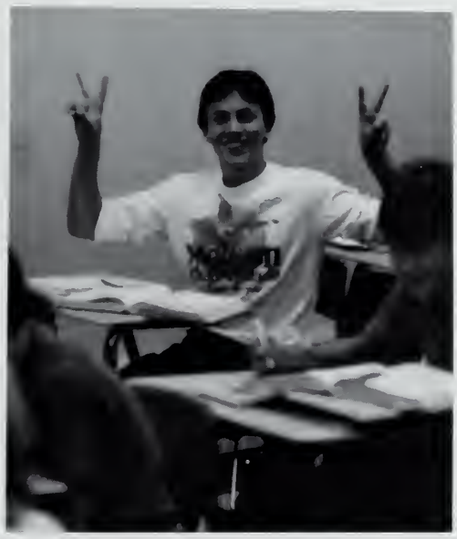


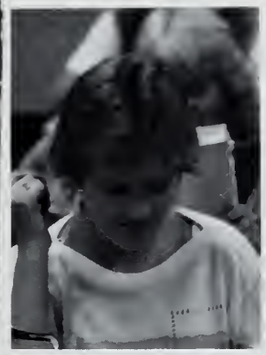
FOR THE GOOD TIMES

... and the bad times

... and the in between times

Some people have all the fun





Hi, handsome.

What do you want now?

It must be love

The two of us,
someday we'll be...

Should I tell him?!?

I am not interested.

Take my picture. See if I care.

Hey! dirty pictures.
